Baird Family Dental is honored you have chosen us as your dental care provider and we are committed to providing you and your family with the best possible patient care. The following is a statement of our financial policy which we need to make you aware of prior to your treatment. If you have any questions please feel free to ask any of our associates.

FINANCIAL POLICY

For All Patients:

Full payment is due at the time of service. We accept cash, checks, and most major credit cards. A fee of \$45.00 will be assessed on all returned checks. Additionally, we reserve the right to charge for appointments cancelled or broken without 24 hours advanced notice.

For Insurance Covered Patients:

Before treatment, we will verify your coverage and calculate your deductible and copayments as accurately as possible. Please understand that treatment plan pricing given to you by our office is only an estimate based on the information your insurance carrier provides us. We will not know the exact amount your insurance carrier will cover until they respond to the claim we file on your behalf as a courtesy to you.

Additionally, please recognize insurance companies do not guarantee payments over the phone.

Your insurance policy is a contract between you and your insurance company. Medical and Dental care providers have no control over the decisions made by your insurance carrier and the amount they elect to pay. Regardless of what your insurance carrier elects to pay, you remain fully responsible for the payment of your bill. Once a payment is received on your claim, our office will (as needed) send you a bill for any remaining balance on your account not covered by your carrier.
